

Hooray it's time to find our Eco Heroes!

I am writing to invite you to become one of my Eco Heroes! This year, to be on the Eco committee and become an Eco Hero, I would like you to show or tell your class what you already do, or what you want to do to make our school and our local area more environmentally friendly.

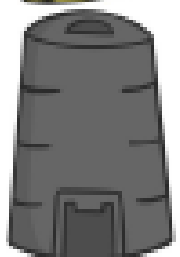

You can present this in any way you feel will share your Eco actions or ideas with the rest of the class. You may choose to write a letter back to me, create a presentation, a model or even complete an art or craft project. Whatever you choose to do, it should tell the rest of your class and your teacher the rest for your application. It could also share any idea you have for making our school a more Eco friendly environment.

Your work will need to be in school to be shared no later than Monday 30th September. You will then spend time sharing them with your class for us all to decide who would be a super Eco Hero!

I look forward to seeing and hearing your ideas!

Eagerly awaiting your reply,

Mrs Hine.
