Match Funding

Match Funding is a simple way to maximise the fundraising efforts of PFA Volunteers. It is an informal arrangement between a company and an employee. Usually a company pledges to match a sum of money relating to the amount the employee has either raised or donated to a charity. Please, please ask your employers if this is something they get involved with.

Upcoming Events

- 14th February 2020 - Own Clothes Day
- 14th February 2020 - Krispy Kreme Doughnut Sale
- 29th March 2020 - Birches Egg Hunt
