14th January 2020

Dear Year 2 Parents

Re: Key Stage One SATs Evening

As some of you may be aware children in Year 2 undertake Standard Assessment Tests (SATs). This year these tests will be taking place during the period from 11th to 22nd May 2020. We will be holding a meeting for all Year 2 parents on Wednesday 22nd January at 6.00pm to provide you with some further information. The evening will consist of a short presentation explaining the format of the tests, the assessment criteria and how judgements of children's achievements will be made. There will also be an opportunity for you to see some past papers and the types of questions children may be asked.

To enable us to work effectively in partnership as we support the children through this process, as well as give them the best opportunity to reach their potential, we hope that you are able to come.

Please confirm your attendance at the meeting by logging onto your ParentPay account and selecting 'Year 2 SATs Meeting'. (No charge will be made.)

Thank you for your support, I look forward to seeing you all there.

Yours sincerely

Mrs J Ferretti

Acting Headteacher
