### Reception Class Trip – Think-tank Science Museum Birmingham

Dear Parents

To enhance and aid the learning objectives of the Early Years Curriculum throughout the term, I have organised a visit to the 'Think-tank Science Museum' in Birmingham on Monday 16th March 2020. The children will be becoming scientists for the day and building upon their knowledge of space. We will be exploring all areas of the museum and getting involved in lots of activities. We will depart from school at 9.00am and will travel to Birmingham by coach fully fitted with seat belts. We will return to school in time for the end of the school day. If there is any delay, school will be contacted and a text sent to inform parents.

We are inviting a parental contribution toward the cost of the trip of £13.00 per child. Please login to your ParentPay account to make payment. By doing so you will be consenting to your child taking part in the visit.

Should you wish to pay by PayPoint, please contact the school office who will be able to provide you with a barcode.

As your child is entitled to a free school lunch we are able to offer each child a simple packed lunch. However, please feel free to send your child with their own packed lunch and a drink (no fizzy drinks, glass bottles or sweets please). Please ensure that lunchboxes/bags and drink bottles are clearly labelled. Should you require school to provide a lunch, please order this at the office by 9.00am on Monday 9th March 2020.

Children should wear their normal school uniform and bring a waterproof coat for walking to and from the coach / museum.

We look forward to an enjoyable day.

Yours sincerely

Miss D Wenlock

Reception Teacher
