

Dear Nursery,

I have really enjoyed seeing all your efforts with the challenges over the last two weeks. It is wonderful to know you are all happy, safe at home, staying occupied and busy in many ways.

On our home learning page you will see we have posted a Birches Easter Craft Challenge with many different craft activities. You may want to choose a favourite or complete as many as you wish.

There is also a 'Time Capsule' which is a great keepsake for the family to complete.

Over the next few weeks, I will also share some ideas which have been inspired through your own creativity at home. Here are some to start with...

Virtual Hug

Elsie created her own hug that she is posting to her Grandparents. I thought this was an amazing idea. You might not be able to post it to your loved ones but I am sure you could send them a picture to show how much you miss them. They will certainly love your "virtual hug".

Dinner on a plate

Eryn was creative with her scissors challenge and made her own dinner on a plate. This was a great way to develop imagination, support her cutting skills and explore mark making. I wonder if you could create your own special dinner on a plate!

Get cooking/cutting!!!

I thought you would all like this challenge.

Draw around the hands of your family.

Decorate as you wish and name each hand.

Now display, post or frame from all to see.

Stay Safe- 2020

Field to Fork Challenge -

Please keep me updated on how your growing is going!!

Here are Nursery's growing challenge.

Potatoes

Carrots

Daily Exercise is so important to keep up. It is recommended children have at least 60mins of exercise each day. So while you are out walking, on a bike, scooter, hopping, skipping or jumping, why not take a wander past the school and see for yourself our huge "Keep Safe" banner. If it is **SAFE** to do so send a picture of yourself standing outside. This will contribute to a whole school collage.

Growing- Whilst at home away from school, perhaps you might like to grow a sunflower.

It would be lovely to see how tall your sunflower will grow.

Songs from Nursery I thought you may like to sing and share.

Up Up Up-
