Believe, Grow, Succeed

## School Closure Home Learning

### Year Reception Daily Tasks

Wednesday 29<sup>nd</sup> April 2020

#### Maths

#### Comparing objects

Use objects found around your home to practise comparing objects.  
Find a group of similar objects - as a suggestion, you could use teddies, books, bricks, toy cars, cups or pencils.

Next, put your items in size order. Start with the biggest.

#### Let's do this!

Use words like 'longer', 'shorter', 'taller' and 'wider' to compare your objects.

Have a competition - who can build the tallest tower or make the longest line of pens?

You could see who can make the longest jump from a standing start.

When you go for a walk, can you spot the tallest tree or the widest part of the path?

## Phonics

Read and spell these words.

now

cow

town

down

brown

Can you write this sentence?

I can see a brown cow.

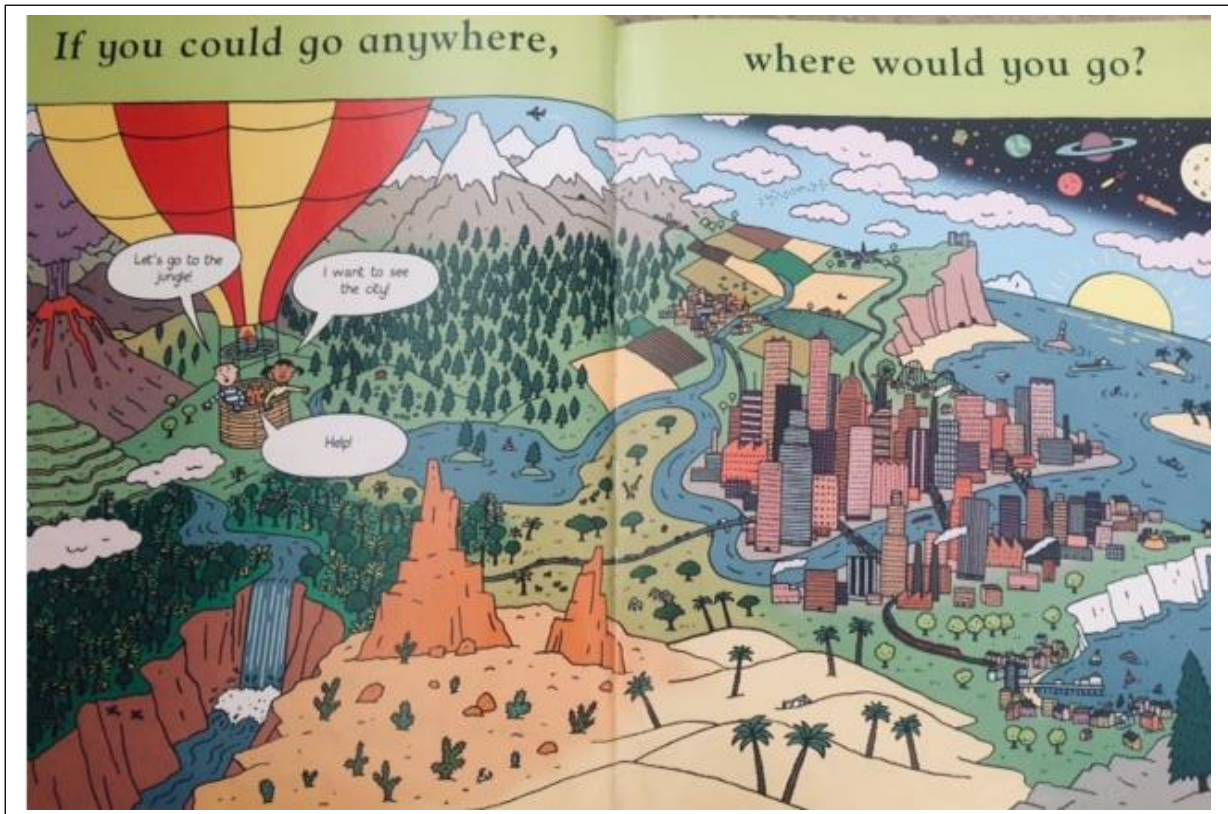

Challenge

Can you write your own sentences for the above words?

## Literacy

Talk about what you can see in this picture. Where would you like to go? Why would you like to go there? How would you get there? What would you do there?

Can you write some sentences?

### Challenge

Make your letters the same size.

Use finger spaces between words.

Use a capital letter at the beginning of your sentence and a full stop at the end.

Write on the line.
