Hope you are all well and had a lovely Bank Holiday weekend!

Maths

Starting with a Story

Talking Together

The front pages of the Hungry Caterpillar are full of circles. Could you make your own pages? How many circles would there be on yours? Does yours make a pattern? Think how you could make this more interesting.

Lots of other story books have hidden patterns in the front covers. Can you find any more in your stories at home?

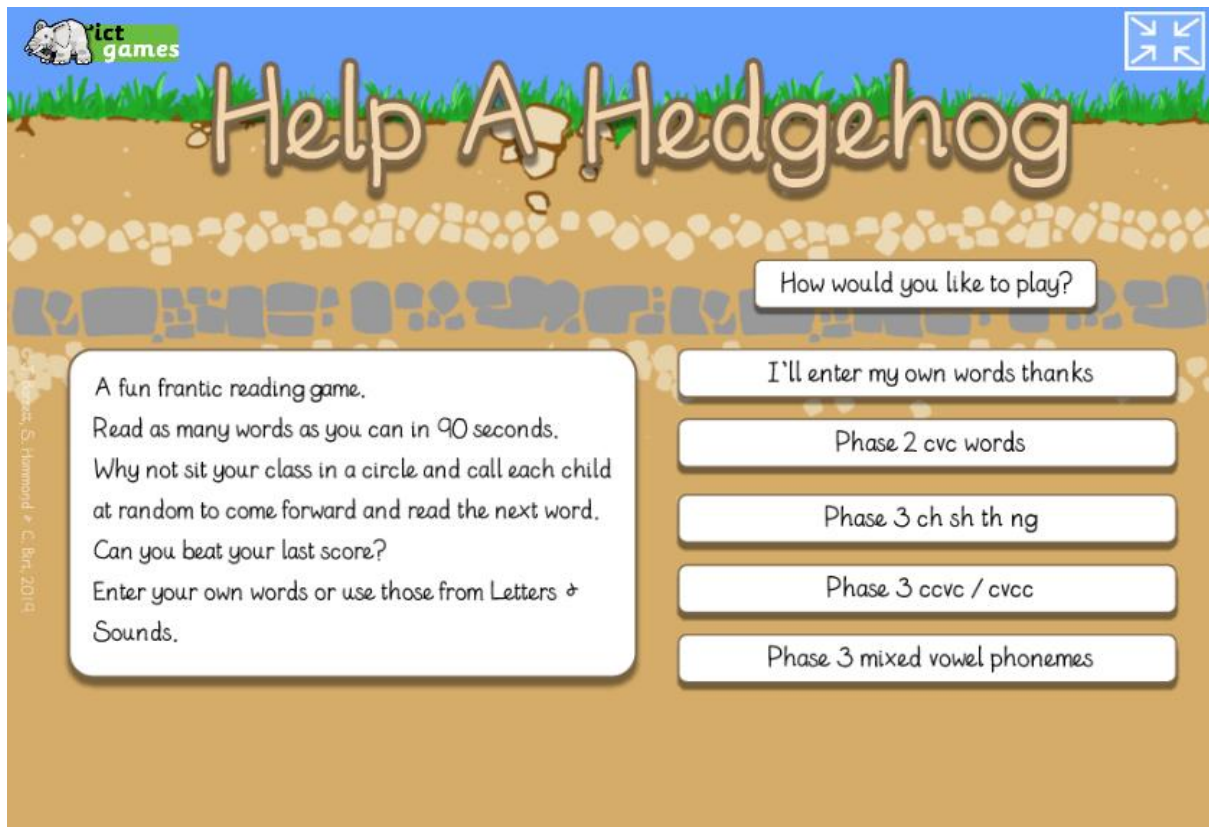

What kind of pattern are they?
