

## Tuesday 19th May

# Maths

## Building Brick Addition and Subtraction Board Game

Players start with 5 bricks and take it in turns to roll a dice and move forward the amount of spaces rolled.

When a player lands on a square with instructions they gain or lose the amount of building bricks shown. When all players have finished, the player with the most bricks wins!

# Phonics

Can you find any items around your house that begin with sh, ch, th, qu?

Can you draw these in your home learning books or take photos of the items you found?

## Challenge

Can you spell any of the words? Think about the sounds carefully.
