### Year Reception Daily Tasks

Tuesday 5<sup>th</sup> May

#### Maths

The pirates are trying to share the treasure they have found. They want to share it equally so that each pirate has half of the treasure. Can you put half the coins into the treasure chests? How many coins does each pirate have? How many coins are there altogether? Use some coins and treasure chests (something you've got at home or boxes/containers)

#### Challenge

Can you use numbers larger than 10?

# Phonics

You can make one of these games or play on it on the screen using a small blob of playdough
