#### Home Learning Challenges

Collect 5 pebbles and 5 leaves from outside. Make a pattern that goes, 'pebble, leaf, pebble, leaf'. Can you complete it? You could paint the pebbles different colours and make patterns with the colours.

Choose 2 different colours of paint and make stripes across the paper in the 2 colours. Remember to change colour each time to make it a repeating pattern. Can you use the paint to make patterns with spots or circles? How many different patterns can you make with 3 colours of paint?

Choose 2 of your favourite-coloured pens. Draw a circle with one colour and a triangle with another, then another circle with the same first colour and another triangle with the same second colour. Continue the pattern. Can you make a pattern with the 2 the same, then another 2 the same, e.g. 'red, red, blue, blue'?
