Maths Mastery Home Learning Challenge

Adult Guidance

What Are We Learning?

We are learning to count things other than objects, such as sounds.

How to Set up the Challenge

- Find a money box or a jar.
- Count out ten 1p coins and place these next to the money box or jar.
- As you slowly drop each coin into the money box, it will make a sound that can be counted.

How to Get Your Child Thinking

- How many coins did I put in the money box?
- How do you know?
- What did you do to help you to count the coins?

Money Box Coin Count

- Cover your eyes and listen carefully.
- Your grown-up will slowly drop some coins into the money box.
- How many did they drop?

Phase 4 Tricky Word Scavenger Hunt Checklist

Can you find each tricky word and put a tick in the correct box?

You can make your own list.
