

Summer Holiday Learning Grid Summer 2020

Dear Parents, this is a home learning grid for the Summer holidays. The learning topic is 'The Circus'.

I hope you enjoy sharing in your child's learning!

Maths

- Create a repeating pattern using juggling balls.
- Find 3D shapes used in the circus.
- Explore the ways that 3D shapes could be used to make circus tents.
- Explore the lines of symmetry in a clown's face.
- Create a symmetrical clown's face.

Literacy/English

- Explore leaflets and posters advertising the circus.
- Create a comic strip story about the circus.
- Make a 'WANTED' poster for a clown who has run away from the circus.
- Make an 'ESCAPED' poster for a runaway animal.
- Design a leaflet to advertise the circus.
- Develop the setting, character and props in an imaginative circus story.
- Create a storyboard a day-in-the-life of a circus performer.

UW/ Science

- Talk about animals and their young. How do they grow and change?
- What do animals need to survive?
- Take part in practical experiments to investigate the forces involved in juggling.
- Take part in practical experiments to investigate the forces at work during a trapeze performance.

P.E/Physical Development

- Make up a circus-themed dance.
- Perform some dance moves to circus music.

PSHE/PSHE

- Watch a Circus film like Madagascar 2 or Dumbo.
- Explain what it means to be part of a team - everyone who works at the circus is part of a team.

EAD/Art

- Create a model of a circus Big Top tent.
- Design a new, super silly outfit for a clown or circus performer.
- Look at different outfits worn by circus performers;
- Explore images of circuses and performances and create my own piece of art inspired by this;
- Role play as a circus performer or an audience member.

History/Geography

- Find out about circuses from the past and different kinds of circus performances.
- Find out about circus travel around the world.
- Use mapping skills to design our own circus.

Music

- Learn circus themed songs such as Nelly the Elephant.
- Listen to and make your own circus music.

Health and Wellbeing

- Discuss your own skills and abilities.
- Can you learn a new skill?
