Double Magician's Challenge Cards

Double Magician's

1. There were 4 children walking to the park. The Doubles Magician waved his wand and doubled the number of children. How many children are now walking to the park?

Double Magician's

2. Sam had 3 pieces of chocolate to eat. The Doubles Magician waved his magic wand and doubled the number. How many pieces of chocolate does Sam have now?

Double Magician's

3. There were 7 ducks swimming in the pond. The Doubles Magician waved his wand and doubled the number. How many ducks are there altogether?

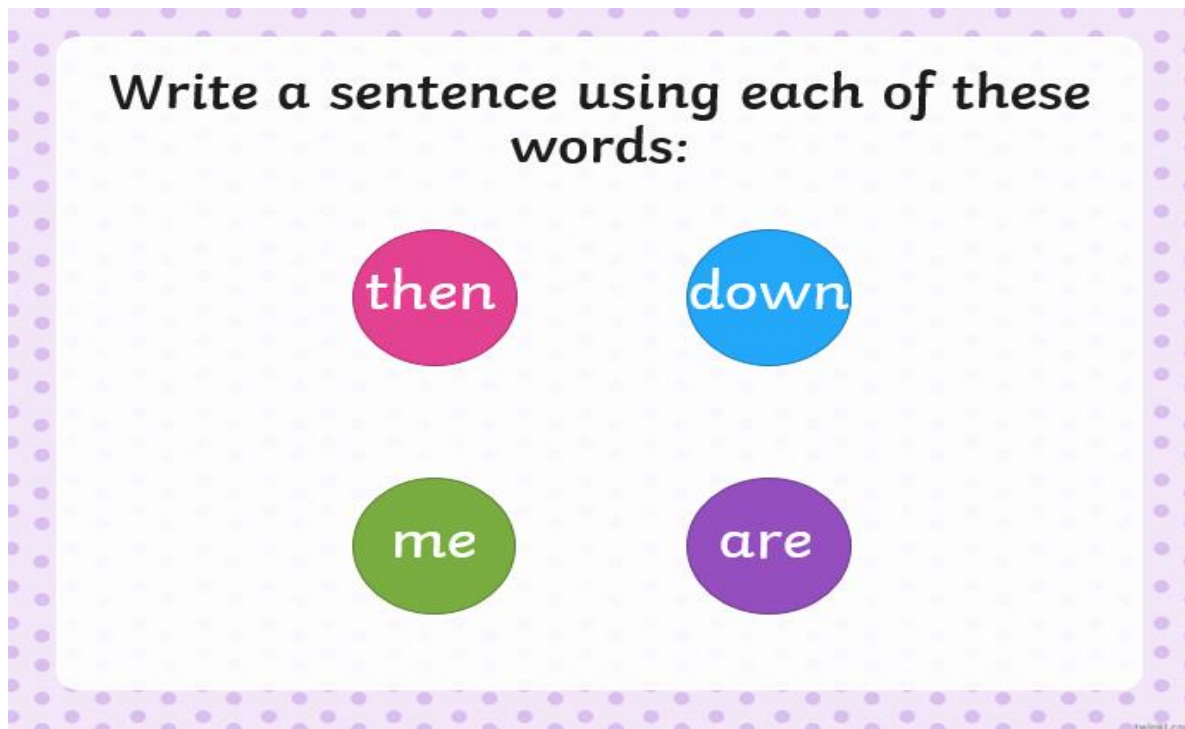

Phonics

Write a sentence using each of these words:

then down

me are

Literacy

Can you make an information book about the weather?

Have a look at some non-fiction books to help you with the layout.
