

Summer Holiday Learning Grid 2020

If you could have a superpower what would it be? Would you be able to fly? Become invisible? Write about an adventure you might have or describe how you would use your powers.

Who is your hero? Find a picture of them and find out about them. You could write them a letter or do a presentation to explain why you have chosen them.

Read a newspaper or watch the news with and parent and see if you can spot any stories of people doing heroic things. You could think about someone who has been a hero during lockdown such as Captain Tom.

Take photographs or draw pictures of yourself being a 'superkid' at home. Maybe tidying your room or helping out.

Become a superhero designer! Create some superhero pants, a mask or even a full costume!

Log onto PurpleMash and create a poster about a real life hero or make one up!

Super hero diet – create a menu for a super hero. Think about the importance of a balanced diet. You could have a go at making it!

Test some different materials to find out which ones would be suitable for a hero costume – which are stretchy? Which is most waterproof? Which is the strongest?

Ask your family and friends who their favourite superhero is and record your results in a tally chart. Can you then create a block diagram?

Superheroes Block Diagram
