

Birches First School

Nursery Newsletter

Week One- 19/09/2020

We have explored

This week Nursery have made the most of the wonderful sunny days. We have explored our outdoor area with enthusiasm. The children have enjoyed making different vehicles with tyres, wooden planks and steering wheels to take us on holiday - how lovely that was!! We have also been cooking al fresco: BBQ sticks, toasted 'marshmallows', leaf soup and even mud cake. Now that sounds delicious!!!

Save the Date

📌 Weds 23rd - School Photographs

Reading for Pleasure- Bedtime stories

Have you got a story book at home which helps you learn facts about something you find interesting. Perhaps it is a book about trains, shells, frogs or dinosaurs.

These are called non-fiction books.

Look through a non-fiction book and perhaps draw a picture or learn a new word from your book.

Notices- Home Learning Wallet returned on MONDAY.

THANK YOU for your family photos. We are slowly making copies and will be creating a display labelled "Our Families". If you have not already sent your family photos, please do so by **Monday 21st**. We are enjoying looking through them with the children.

Word of the Week

Explore (verb)

'To look at something carefully and closely to learn more about it.'

"I love to explore the sea-shells on the beach."

Settling in phone calls. Next week I will be contacting you all via phone calls to let you know how your child has settled into Nursery. You are still welcome to email me if you have anything you wish to discuss further.

Try this at home!!

In Nursery we love to dance and wake ourselves up first thing in the morning. The children have been introduced this week to one of our favourites "wake-up shake-up" songs.

Try this at home. Get your family involved as you dance and shake!!
