Are you a good role model?

Can you organise, motivate and inspire other children in your class?

Can you support and encourage younger children?

Do you attend extra-curricular sports activities and enjoy sport at school?

Miss Hulme, Mrs Cain and Mrs Ferretti are looking to appoint two house captains per house from Year 4.

If you are interested, you need to come up with a way of showing us why you would be good for the role by Friday 18th September 2020. This can be a presentation, an art project, a speech, a song....anything you can think of! Please remember that you cannot bring items into school but we welcome photographs of projects that you can talk to the other children in your class about.

Please send any photos, presentations etc to Mrs Cain by **Friday 18th September**. Unfortunately late applications cannot be accepted.

Good luck! ☺
