

# HOLY CROSS CHURCH

*"The church at the heart of our community"*

## REMEMBRANCE 2020

Regrettably, we will not be able to come together as a community, around our memorial, in order to mark Remembrance Sunday as we would normally do.

So, we are looking at alternative ways to do so, and involve others in the Bilbrook community in the process.

With that in mind, we would like to invite you to join in with our virtual gathering for remembrance, by creating a display of stones painted with suitable images and words, like the attached image.

If it would help to introduce the theme to pupils, we would be happy support with virtual or recorded assemblies.

We have a supply of stones available, or individuals and groups may wish to source their own. If that would help, please let us know how many you require.

You would be welcome to create such a display in school, and then take a photo of it, sharing it with the local community, through websites and social media. Alternatively, we are working with the Bilbrook Parish Council to come together and make a display around the memorial.

If we can assist, with this project or anything else, do let us know.

Every blessing.

*Simon*
