Autumn TWO- 17/12/2020

What have we explored? This week we have had a wonderful and magical time in Nursery with the children. They have loved playing with Eddy the Elf as he showed off his cheekiness. He hid from them each morning and they had to search high and low for him. There are many other activities the children have enjoyed during our final week before Christmas; such as a snowball fight, Christmas dinner, a special visit (socially distanced) from Santa, Christmas party, games, party food and many different craft activities for you all as gifts.

It has been a wonderful week of magical storytelling and real fun. The children's laughter has filled the room and it has been a joy to be a part of their special 'Christmas memories'.

Reading for Pleasure.

I hope you all enjoy many new books and stories as part of your Christmas gifts. Share them with each other and read with pleasure.

A favourite of mine to read on Christmas Eve "Twas the night before Christmas". ENJOY

Miss Potts and I plan to work very closely together to become an 'early year's unit' and I am sure we will continue to create and shape memorable moments for the children to keep with them forever.

Your children are all a delight and I am honoured to have been their teacher for the autumn term.

Mrs Causer and I wish you all a very **SAFE** and

Christmas Number

In your home learning wallet you will find a Christmas numbers sheet.

There is an opportunity to place a photo of your special day so we can talk and share it with each other when we return.

You will also have chance to let us know your best 3 gifts you received on Christmas Day as this will form a "Talk for writing/drawing opportunity".
