

### "I am an Author"

You will need small world animals or people.  
Create your very own story using your small world toys.

Your story needs a beginning, middle and end. Ask a grown up to scribe the story for you. Have a go at writing some simple words or sounds using your phonics knowledge. A grown up can scribe the rest of tricky parts of the story. Bring your story in to school so we can all read it together.

### Iglloo homes

Can you build an Iglloo?  
What shapes will you use?  
What materials will you construct it with?  
How big will it be?  
Send your igloo photos to 'birches igloos for sale' at [jmogey@birches.staffs.sch.uk](mailto:jmogey@birches.staffs.sch.uk)

### Paper Snowflakes

You will need 5 paper circles and scissors. I would like you to cut a different number of shapes from each folded circle (1-5). Open them all up. Do they all look different?  
Can you cut up to 10 shapes from a folded circle?

**Shoe-box** showcase- Create your very own 'Frozen Winter Wonderland' in a shoebox. Your winter wonderland may have animals, a castle, igloos, or snow. Be creative with a frozen frenzy of colours and textures.

### Winter

How many ideas can you say which make you think of Winter.  
I'll start you off...snow!!!

### Reading for Pleasure

Take a look through your home library. Have you any stories with winter animals in them?  
Send me a photo of you reading for pleasure in an unusual spot. The more unusual the better.

Showcases- Please email your images to [jmogey@birches.staffs.sch.uk](mailto:jmogey@birches.staffs.sch.uk)- All images sent via email will be used to support your child's presentation during their 'showcase'. The children will be developing language skills and building their confidence to speak clearly and fluently in front of their peers as they share their showcase. We are also looking support creative chameleons and proud peacock's as they interact with learning from home.

Shoebox showcase will take place **wk beg 1st February 2021**. Please send any images via email before this date.
