

# Birches First School

## Believe, Grow, Succeed

11<sup>th</sup> January 2021

Dear Parent / Carer

As we all know, our children will be spending more time online during tight lockdown restrictions for their online and remote learning. We appreciate the support that many of our parents are providing, thank you.

As the Online safety co-ordinator and deputy safe guarding lead, I would like to highlight to parents some top tips for keeping your child safe whilst learning on-line. In a link on the website under this letter is a useful handout from National Online Safety making 10 recommendations to parents. Please take the time to read them. By attempting to put some of these recommendations in place it can help to give your child to have a safe and comfortable learning experience and environment.

In addition to this, I will be posting online safety information weekly to our website. A link to this will be sent to you weekly via text message.

If you need any support with Online Safety issues please contact me via [kcain@birches.staffs.sch.uk](mailto:kcain@birches.staffs.sch.uk)

Kind regards,  
Mrs Cain
