Believe, Grow, Succeed

Birches Online Safety

Here at Birches we follow the SMART rules - <https://www.childnet.com/ufiles/SMART-rules-poster-A3-Free.pdf>

They help to keep your children safe when using the internet and mobile devices.

These rules are important to follow especially as children are online more and as they start to explore the world of online gaming. It is always important to read game reviews to understand more about potential risks. These will often talk about content that reviewers have seen. App store and Google Play offer reviews but you can also find app reviews on www.net-aware.org.uk or game reviews on www.commonssensemedia.org.

If you would like to share any information or you need further support then do not hesitate to contact Mrs Cain or your child's class teacher.
