Have fun!

Maths

Keep a weather record for a week e.g. highest temperature each day, amount of rainfall each day, wind strength each day.

Find out what time the sun comes up and the sun sets. Write down these times for a week. Are the times always the same?

English

Write a list of adjectives to describe different weather, e.g. hot, rainy, damp etc.

Write a weather diary or report.

Lots of sayings or rhymes tell us about the weather, e.g. it's raining cats and dogs. Find two different weather sayings or rhymes and explain what they mean.

Science

Design an outfit suitable for a particular type of weather.

Note what each item of clothing is, what it could be made of and why it is suitable to wear! Think about the materials you would use.

Design the ultimate umbrella (or another super weather object!) What features would it have? What would it look like? Why would it be better than any other?

R.E

Belonging – Talk about groups you belong to – family, school, clubs.

Find out about special moments and ceremonies.

P.E

Find out about different sports that can be played in different weather.

Have a walk around your local area. How can you tell what season we are in? Write or draw what you have found.

PSHE

Watch a weather forecast. Think about how today's weather will affect a farmer, a fisherman, a postman or woman and you this week.

Write and/ or draw what you have found.

When can our weather be dangerous? Describe how weather can be dangerous and think about how we can keep safe.

Art & Design

Using media of your own choice, e.g. pen, paint or materials for collage, create a weather picture.

Make a season's picture that shows how a scene can change throughout our four seasons Spring, Summer, Autumn and Winter.

Find a weather picture you like created by a famous artist. Be ready to describe the image, say how it makes you feel and why you like it

History/ Geography

Find out about different kinds of jobs or work that people do that are linked to the weather.

Compare hot and cold climates in different countries.

Make a poster with weather symbols.

Make a weather map.

Computing

Purple Mash – Complete a picture of your favourite season/weather.

Health and Wellbeing

Find out how to stay safe in dangerous weather conditions e.g. during a storm.

Draw a picture or make a poster to show people what they should or should not do.
