20th January 2022

Dear Parents and Carers

Chinese New Year Curriculum Day – Tuesday 1st February 2022

We would like to mark Chinese New Year by inviting children to come into school wearing their own clothes or any traditional Chinese dress. As it is the year of the Tiger we would like to honour it's lucky colours by wearing blue, red and green clothing. No football kits.

This celebration will involve the children learning about the Year of the Tiger and the traditions surrounding this very special time of year. The teachers are planning exciting activities to deliver a day of creative learning covering areas of the curriculum such as Art, Music, Dance, Drama, D&T and PSHE.

Chinese New Year Arts Competition

In these challenging times, it is vitally important to strengthen our spirit of positivity and determination. When the Year of the Tiger arrives on 1st February 2022, we will be overjoyed to celebrate our hard work and perseverance, with extra courage like a tiger.

We are warmly inviting the children to create an A4-sized picture of a Tiger as part of The Zodiac Tiger Arts competition. Your child might like to draw, create a collage or even paint an excellent opportunity to get creative and fully embrace the adventurous spirit of the Tiger!

The school council will judge and select a first prize winner and a runner up for every year group who will then be rewarded with a voucher.

Please bring Tiger drawing/paintings into school by **31st January 2022**.

Thank you for your support and best wishes to all families and friends who are celebrating this very special occasion.
