Advice to All Parents – PCR test update

Dear parents

We have received the following update from the Department for Education:

Confirmatory PCR tests following a positive lateral flow device (LFD) test result are to be temporarily suspended from Tuesday 11 January. This will mean that anyone who receives a positive LFD test result will be required to self-isolate immediately and will not be required to take a confirmatory PCR test.

If you have any concerns or questions please contact the office

Yours sincerely

S Varricchione

Headteacher
