1st March 2022

Class and Book Look

Monday 7th March 3.30pm-5.00pm

Dear Parents,

I am delighted to invite you into school to come and see the children's classrooms and work.

I fully appreciate and understand that it has been a tough two years not knowing what the school looks and feels like, especially to those parents who have joined since March 2020. So it gives me great pleasure to invite you to an informal Open Afternoon where you may look at your child's work with them in their classrooms. Class teachers will be available between 3.30pm to 5.00pm for informal discussions. Hopefully this will give you the opportunity to familiarise yourself with their classrooms and see the amazing work and progress that has been happening since September.

To do this safely, please could I ask the following:

- All parents are off site by 3.20pm after collection so that I can secure the site and safeguard children in Birches Club
- **Nursery/Reception** Parents-Please access the classroom via the School Office
- **Year One**- Please access via the door you pick the children up from at 3.15pm
- **Year Two** and **Year Three**-Please access via the playground door your child enters in the morning
- **Year Four**-Please enter via the mobile doors
- Please try to spread the visit, if any parents can come back after collection at 4pm/4.30pm this will help greatly to minimise large amounts of people and indeed ease the wait time on talking to the teachers.

The playground gate and pedestrian gate will be open for you to access the classroom doors.

The staff and I are really looking forward to welcoming you into our lovely school. I am sure the children will love showing you their work and where they sit etc. and I know you will enjoy the experience of sharing their life at school with them!

Any questions, as always please get in touch and I will do my very best to help.

Best wishes,

S Varricchione

Headteacher
