

### 125 years of CODSALL CRICKET CLUB

Calling all cricketers, budding cricketers, cricket spectators and cricket enthusiasts; come and join our welcoming, inclusive and family friendly cricket club!

Based at Codsall Village Hall, Codsall Cricket Club this year marks 125 years of serving the local community of Codsall and the surrounding villages, providing fun and family-oriented opportunities to enjoy an active lifestyle within a safe environment. This year the club has three adult teams, six mixed junior teams and a girls junior team. "The Acorns" compete in the Staffordshire and Shropshire Cricket Leagues.

The longer and lighter days of spring are bringing anticipation and optimism for a full season of cricket ahead. With the adult matches just kicking off for the year, the club are eagerly preparing for the commencement of the juniors 2022 season towards the end of April.

Governed by the England and Wales Cricket Board (ECB) and recognised by ClubMark for being a safe and well-run club, Codsall Cricket Club has an excellent track record of maintaining COVID secure training arrangements in line with ECB standards.

We are passionate about the importance of outdoor sports and activities for all ages and abilities. In 2020, Codsall established our all girls junior team who called themselves "The Fireballs" and this team has grown from strength to strength over the last 18 months.

Alongside the weekly all-junior training, in May the club will be running All Stars - this is a national programme of coaching sessions for 5-8 year old boys & girls.

If you are interested in junior training or playing, please come along to one of our Friday night training sessions 6 - 7.30pm at the Codsall Cricket club ground, behind the Codsall Village Hall. We are holding a Junior Launch night on 29<sup>th</sup> April, where all training is free and there will be a number of activities on during the evening, so it will be fun for all the family. If you can't make that session, come along to any Friday session - your first session will always be free for you to try it out!

If you are an adult interested in playing, spectating, volunteering as a coach, having a go at scoring, or if you are a local business that would be interested in sponsoring a match ball, please contact [codsallcc@gmail.com](mailto:codsallcc@gmail.com) or call Ally Davies on 07815 150060
