21<sup>st</sup> June 2022

### **Year 2 Sealife Centre and Legoland Discovery Centre Visit**

Dear Parent/Guardian

To consolidate our learning in Science (Living Things and their Habitats) and Geography (Australia), we have arranged a visit to the Sealife Centre and Legoland Discovery Centre on Thursday 7<sup>th</sup> July 2022.

Children will be given the opportunity to study marine habitats and understand how animals adapt to survive in their environment through a workshop with the Sealife Centre team. Children will also have the opportunity to enhance their learning across the curriculum at the Legoland Discovery Centre.

We will travel by train. Staff will walk the children to Bilbrook Train Station for the 9.23am train and we will be travelling to Birmingham New Street Station. Children will arrive back to Bilbrook Train Station at 3.25pm so they will need to be collected from school at a later time of 3.45pm.

The children should wear full school uniform but may wear sensible walking shoes such as trainers. As your child is entitled to a free school lunch, we are able to offer a simple packed lunch. However, please feel free to send your child with their own 'treat' packed lunch with 2 drinks (no glass bottles or fizzy drinks please) in a named carrier bag. This can then be disposed of once we have eaten. **Should you require a packed lunch this should be ordered at the office by 9.00am on Wednesday 29<sup>th</sup> June.**

The cost of the trip will be £24.50 which covers the cost of the train, entrance to the Sealife Centre, entrance to Legoland Discovery and a workshop led by the Sealife Centre staff. Payment for the visit is to be made through ParentPay. **When you make the payment you are giving permission for your child to attend the visit and travel by train.**

We look forward to an enjoyable day and sharing our exciting learning with you.

Thank you for your continued support.

Yours sincerely

Miss S Hulme/ Mrs K Kandola
