

Subject: **Reception Health e-leaflet**

Dear Parent/Carer

The Families' Health and Wellbeing (0-19) Service is the local Health Visiting and School Nursing service. They offer support to schools and parents of children aged 0 to 19 years around lots of health related topics to help children.

Please follow the link to an e-leaflet, which introduces your local School Nurses and shares some development and health information which parents/carers of reception aged children may find useful.

The Families' Health and Wellbeing Service can also be contacted through the Children and Families Health and Wellbeing Single Point of Access (CaFSPA), often referred to as the Hub, or their ChatHealth (text) services.
