

## Birches First School Overview of Reading Scheme and Approaches to Setting Reading Books

At Birches our reading scheme consists of books from the Collins Big Cat scheme complimented with books from Oxford Reading Tree scheme to ensure that children experience a quality range of genres, themes/topics and book styles. We have three elements to our reading approach. Books are separated into a Phonics scheme, a Reading scheme and a Guided Reading scheme.

### Our Phonics/ Reading Scheme:

**Nursery:** During the second half of the Autumn Term, children will begin to take home a 'First Reading Book'. These wordless stories are important in developing 'story talk' skills and an understanding of books.

**Reception/ Year 1/ Children not secure with Phase 5:** From Reception, children receive a carefully matched, phonically decodable book from our Little Wandle Phonics Scheme. This book is read 3 times (Decoding, Prosody and Comprehension) in class before going home to practise, consolidate and apply their phonics learning in class. Parents are sent a home learning information sheet through Marvellous Me weekly which outlines the learning in phonics taken place each week to support learning at home.

**When children are secure with Phase 5 phonics (typically Year 2):** Once children are secure with Phase 5 phonics, they will be given an individual reading book from our reading scheme to support their developing reading skills. At Birches we recognise that Reading is not reliant on one specific skill and place great importance on the development of comprehension skills from an early age. We have invested in scheme books up to Year 6 level to enable children to remain on a structured, progressive programme throughout their time at Birches.

Children may also receive an additional phonetically decodable book to target any gaps in their phonics knowledge.

Reading skills are taught in classes daily through Whole Class Reading sessions using Reading **VIPERS**. **Once Upon a Picture** and **Pobble 365** are used to source quality picture stimulus for discussion and **Deepening Understanding** extracts are used for Whole Class Reading sessions.

## Developing successful readers at Birches
