13<sup>th</sup> March 2023

To all parents,

This week the children have gone into a new phase in their reading groups. These books were sent home with the children on Friday. **Please keep reading books in children's book bags and return them to school every day.** We have limited copies of each book and therefore children will be reading the books in school as well as at home. Not bringing books to school will impact your own child and other children in the class who are not able to have access to the books they need to read- we really need your support with this.

New books will still be given to the children every Friday, however **we will collect books every Thursday** so that we can make sure we have the books we need to give to the next group.

We visit the library each Wednesday afternoon so please return library books every Tuesday.

Each Friday a certificate will be awarded for every child who logs a minimum of 5 reads of their school reading book on Boom Reader.

If anyone has any questions on how to use boom reader or how to support their child with reading at home please feel free to speak to Mr Hallmark.

Many thanks in advance.

Best wishes,

Emma Buckley

Early Years Lead/ Reception Teacher
