Multi Faith Day- Eid Celebrations – Friday 21st April 2023

Dear Parents and Carers

As part of our RE Curriculum and Multi-Faith days, the children will be learning about Eid. We would like to mark Eid by inviting children to come into school wearing their own clothes or any traditional Muslim dress. As Ramadan is drawing to an end we are celebrating the 'Breaking of the Fast' by wearing some of the festival's traditional colours such as green, yellow and white. No football kits please.

This celebration will involve the children learning about the Islamic Festival of Eid Al Fitr and the traditions surrounding this very special time of year. The teachers are planning exciting activities to deliver a day of creative learning covering areas of the curriculum such as Art, Music, Dance, Drama, D&T and PSHE.

Thank you for your support and best wishes to all families and friends who are celebrating this very special occasion.

Mrs Lloyd
