18th April 2023

Dear Parents/Carers,

As part of our theme 'Come Outside', Reception children will be going for a nature walk on the morning of **Wednesday 10th May**. We will be exploring Jubilee Woods, at the back of Joey's Lane Park to look for different types of plants and minibeasts. Once we have finished our nature walk, we will have a short play on the park before returning to school.

On this day, we ask that parents bring children to meet us outside Bilbrook Village Hall at 8.45. Please hand over your child to myself (Mrs Buckley) who will register the children. If your child attends club before school, staff will collect the children from club and walk with them to the Village Hall to meet the rest of the class. Please ensure they arrive at club no later than 8am to ensure that we have time to walk to the Village Hall.

Children will need to wear comfortable footwear (they may need wellies if the weather is wet) and will need a warm, waterproof coat. They will need to take a water bottle (no glass please). Children do not need book bags on this day.

We will need parents to come along with us on our nature walk. Your help will be much appreciated!

Please complete the following form to provide consent for your child to attend the Nature Walk:
<https://forms.gle/JUF2b5vHhopJ4JM3A>

If you have any questions, please let me know. Many thanks for your ongoing support.

Best wishes,

Emma Buckley

Early Years Lead/ Reception Teacher
