20<sup>th</sup> April 2023

Birches First School

We are writing to thank Birches First School for your generous support to the work of The Well during the period July-December 2022. The total weight of your donations was 36kg.

It is always humbling to receive the generous donations the public give to us. Whether you bring them to our warehouse, take them to your church/community donation point, or add them to the drop off point at your local supermarket – we want you to know how much we value your partnership with us. The fact that you have donated during such a financially challenging time for this nation, is even more amazing.

Recent feedback from one of the families to whom we delivered a parcel is a reminder of how tough it is for so many:

Me & my daughter have not been well and are struggling this month due to the rise in gas and electric bills.

Your giving directly impacts the lives of others in our local communities. On their behalf we say Thank You!

Gary & Caroline
