School Council Day Friday 26th May 2023

Career/Aspiration Day

Dear Parents

The School Council have met this lunchtime and as part of their School Council Day they have decided that they would like to have a Careers/Aspiration Day at school.

They are inviting all the children to come to school dressed up as what they would like to be when they are older! Please do not buy anything special. If the children do not wish to dress up, they are welcome to come to school in their uniform.

We would like all the children to explain what they would like to be when they are older and to give a simple explanation why.

In order to facilitate Careers and Aspirations day, we are seeking the support of any parents and carers who would be willing to come in and speak to the children about their jobs. Ideally, we would be looking for parents and carers to spend the day with us as we would very much like your involvement across the whole school. I do understand this could be difficult, so, even if you just have an hour to spend we would be truly grateful to have you in school! We are keen to get as many careers as possible....dog walkers, hairdressers, waitresses, librarian...anything goes!

If you could spare any time (or know any one who can help!) please contact the office so we arrange your visit into school.

Many thanks in advance with your support of this day.

School Councillors and Miss Varricchione
