- › Transfer calls from parents/carers to SIMS in order to provide staff with more detailed support on attendance
- › Contact parents if we have not heard or received an email by 9am
- ›

3.7 Parents/carers

Parents/carers are expected to:

- › Make sure their child attends every day on time
- › Call the school to report their child's absence before 9am on the day of the absence and each subsequent day of absence, and advise when they are expected to return
- › Provide the school with more than 1 emergency contact number for their child
- › Ensure that, where possible, appointments for their child are made outside of the school day

3.8 Pupils

Pupils are expected to:

- › Attend school every day on time

4.1 Attendance register

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- › Present
- › Attending an approved off-site educational activity
- › Absent
- › Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- › The original entry
- › The amended entry
- › The reason for the amendment
- › The date on which the amendment was made
- › The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will also record:

- › For pupils of compulsory school age, whether the absence is authorised or not
- › The nature of the activity if a pupil is attending an approved educational activity

- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by 8.40am on each school day.

The register for the first session will be taken at 8.30am and will be kept open until 8.45am. The register for the second session will be taken at 1.00pm and will be kept open until 1.05pm.

4.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 8.45am or as soon as practically possible by calling the school office staff or emailing if this is most convenient (see also section 7).

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

4.3 Planned absence

Visits to the doctor or dentist which must unavoidably be taken in school time should be notified beforehand whenever possible. Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment. A written note/email or telephone call to the school is preferably at the onset not when the child returns to school, explaining that absence due to illness is required. Non-medical absences of one or more sessions require the completion of a "Leave of Absence" form (**From the School Office**) prior to the absence.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

School will monitor lateness and punctuality and arrange a meeting with parents to discuss the issue and help with any possible solutions. Late letters are sent to parents to alert them of the amount of lates that have accumulated. EWO may make a telephone call or arrange a meeting if lateness doesn't improve.

4.5 Following up unexplained absence

School will contact parents to discuss unexplained absences and arrange a meeting.

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may contact
- Identify whether the absence is approved or not

- › Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- › Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer

4.6 Reporting to parents/carers

The school will regularly inform parents/carers about their child's attendance and absence levels using our traffic code system (Green = 100-96% Amber = 95-91% Red =90% or below) via Marvelous Me. Please see below the message below communicated to parents. This will be communicated at every term.

Name: {First name} {Last name}. Year: {Year group}. Your child's attendance is: {Attendance}. Your child's attendance meets the national expectation. Thank you for being so punctual and supporting your child to achieve the best possible outcomes at school.

Name: {First name} {Last name}. Year: {Year group}. Your child's attendance is: {Attendance}. Your child's attendance is a cause for concern. We know that this may be due to illness or other authorised absence, but we hope by bringing this to your attention now, it will help you and your child.

Name: {First name} {Last name}. Year: {Year group}. Your child's attendance is: {Attendance}. Your child's attendance is classed as a persistent absence. Please continue to support your child to improve their attendance. Please contact the office if you need any further support.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as one off events that are unavoidable.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 4 weeks before the absence, and in accordance with any leave of absence request form, accessible via School Website/School Office. The headteacher may require evidence to support any request for leave of absence.

Valid Examples of any exceptional circumstances where leave may be granted during term time are as follows:

- › Illness (including mental illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- › Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents/carers belong. If necessary, the school will seek advice from the parents'/carers' religious body to confirm whether the day is set apart
- › Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision

- If a parent can evidence that they will not be in receipt of any leave in the near future that coincides with school holidays
- Where an absence from school is recommended by a health professional as part of a parent or child's rehabilitation from a medical or emotional issue.
- The death or terminal illness of a close relative, only if Headteacher is satisfied that the circumstances are truly exceptional;
- Out of school programmes such as music, arts or sport operating at a high standard of achievement. Documentary evidence of this event will be required.
- Religious observance – The Education Act 1996 S444(3) (c), states “on any day exclusively set apart for religious observance by the religious body to which his/her parent belongs”;
- To attend a wedding or funeral of a close relative if the Headteacher is satisfied that the circumstances are truly exceptional; Leave should only be authorised for this purpose when a Headteacher is satisfied that there is a persuasive reason for holding the wedding during term time and there WILL be an onus on parents to show clear evidence that this absence is absolutely an exceptional circumstance. In difficult family situations the Headteacher may use his/her discretion in granting leave and each case should be addressed on its individual merits, taking into account the overall welfare of the child.

Where there are exceptional and unforeseen circumstances that fall outside of the above, the Headteacher agrees to consult with the governing body prior to any authorisation being given to the parent.

Evidence would be required in each case.

5.2 Legal sanctions

The school or local authority can fine parents/carers for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent/carers must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

6. Strategies for promoting attendance

- Meet the Teacher Meetings, Sign post Newsletters and Birches school website to parents and carers to get on board with our school's expectation for high attendance
- Offer parenting classes that include sessions on morning routines and helpful ideas, such as 'getting dressed music' (where parents put on a song and the child has to get dressed before the song ends)
- Encourage parents to set alarms on their phones
- Offer surgeries for parents to discuss the reasons behind non-attendance, i.e. if parents have school-gate anxiety, for example, we allow stagger drop-offs for parents experiencing any friction
- Attendance Certificates
- Attendance Letters

7. Attendance monitoring

Attendance monitoring is conducted weekly by SLT and actions identified if necessary. Mrs Lawley will monitor and raise any patterns or unusual occurrences with Attend (EWO)

7.1 Monitoring attendance

At Birches First we will:

- › Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level
- › Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

7.2 Analysing attendance

At Birches First we will:

- › Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- › Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

7.3 Using data to improve attendance

At Birches First we will:

- › Provide regular attendance reports to class teachers and other school leaders, to facilitate discussions with pupils and families
- › Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

7.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- › Use attendance data to find patterns and trends of persistent and severe absence
- › Hold regular meetings with the parents/carers of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- › Provide access to wider support services to remove the barriers to attendance
- › Provide attendance workshop meetings with Attend

8. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum 2 years by Miss Varricchione. At every review, the policy will be approved by the full governing board.

9. Links with other policies

This policy links to the following policies:

- › Child protection and safeguarding policy
- › Behaviour policy
