

Let's Learn- Home Links

We have been learning about our senses and our bodies and how we have changed since we were a baby. Scan the link below to revisit some of this learning with them...

This half term our topic is **Me and My School**. Here are some stories that we have been sharing with the children that they might like to revisit at home. Scan the QR code using your camera.

Quiz- Ask me these questions so I can tell you what I've learnt.

1. What are your five senses?
2. What body parts can you name? What do your ____ do?
3. How have you changed since you were a baby?
