School Council Fundraising Unwanted Gift Sale

Dear Parents

The School Council have met (last Friday lunchtime) and have had such a wonderful idea to raise money! They have said that they would like to have an 'Unwanted Gift' Sale at school. When I asked the group what this meant, they explained at Christmas, sometimes, we receive a present we do not always want. They have suggested that any children or adults could donate any unwanted gifts to school, and we could hold a sale to help raise money for our Adventure Playground.

I thought that this idea was fantastic and for them to think of it was great! We plan to have a gift sale on **Friday 26th January** after school. Please if you do receive anything that you may not need/want donate it to our school! This will be happily received from the day we return on **Monday 8th January**.

School Council have such amazing ideas, I had a very interesting meeting with the children and have many more fantastic ideas in the coming months to share with you. They have asked for another Break the Rules Day, but with a different take on it!!! They are getting back to me with their ideas.....WATCH THE SPACE!

Best wishes

S Varricchione
