

Birches First School

Believe, Grow, Succeed ...

...to be the best 'me' I can be.

8th February 2024

Dear Parents and Carers,

Firstly, we would like to thank you all for your continued support and commitment to the Breakfast and After School Club.

In recent years, the school has subsidised this provision to ensure high quality resources, activities, and staffing. Unfortunately, this is no longer a viable option for the school due to budget pressures.

The school and academy trust are committed to the Breakfast and After School Club, however the cost of these services will need to be revised.

From February half term the charge for the club provision will increase from £4.50 to £5.00 per hour. Late bookings will be charged £6.00 per hour.

We have researched the prices of local Breakfast and After School Clubs and our proposed increase continues to be competitive and offer good value for money and brings the charge in line with other schools within the Trust.

Many thanks,

Ian Moore
