24th April 2024

Dear Parents/Carers,

As part of our theme 'Come Outside', Reception children will be going for a nature walk on the morning of **Wednesday 8th May**. We will be exploring Jubilee woods, at the back of Joey's Lane Park to look for different types of plants and minibeasts. Once we have finished our nature walk, we will have a short play on the park before returning to school.

On this day, we ask that parents bring children to meet us outside Bilbrook Village Hall at 8.45. If your child attends club before school, they will be collected from club and walked to the village hall to meet the rest of the class. Please ensure they arrive at club no later than 8am to ensure that we have time to walk to the village hall.

Children will need to wear comfortable footwear (they may need wellies if the weather is wet) and will need a warm, waterproof coat. They will need to take a water bottle (no glass please).

We will need parents to come along with us on our nature walk. If you are able to help, please speak to myself or Mr Hallmark, or send us a message via email or on tapestry. Your help will be much appreciated!

If you have any questions please let me know. Many thanks for your ongoing support.

Best wishes,

Emma Buckley

Early Years Lead/ Reception Teacher
