

Birches First School
 Believe, Grow, Succeed ...
 ...to be the best 'me' I can be.

Louie T

Thursday 24th October 2024

Dear Parents and Guardians,

At Birches First School, we are committed not only to the education of our children but also to fostering a sense of community and compassion. In the spirit of giving and sharing, our School Council are thrilled to announce a new project that will allow our children to make a meaningful contribution to those in need.

We are organising a toy donation drive, and we are inviting all children and their families to participate. This is an excellent opportunity to teach our children the values of generosity and kindness while also placing our school at the heart of community support.

We kindly ask that you consider going through your children's toys at home and selecting any that are in good condition or of high quality but no longer played with. These toys can bring great joy to other children and families who might not have easy access to them. Your generosity will support local charity shops, which play a vital role in helping those in our community who are less fortunate.

Please send the unwanted toys with your child to school beginning Tuesday 5th November until Friday 22nd November. We will have collection points set up in each classroom where the toys can be placed. Our School Council will then take these toys to local charity shops on behalf of Birches First School and their families.

Thank you in advance for your generous contributions. Your support in this project is greatly appreciated and will undoubtedly make a significant difference at Christmas for some children in need. We believe that, together, we can inspire a culture of empathy and community service in our children.

We look forward to your enthusiastic participation in this initiative.

Sophia

Thank you from the School Council.
