31st October 2024

Dear Parents and Carers

Nursery Christmas Craft Day – Thursday 5th December

Dear Parents,

We are thrilled to announce our Christmas Craft Day on Thursday 5th December! We will have two sessions for Nursery: the morning session for our children that attend for 15 **hours** and the afternoon session for the children attending 30 **hours**.

Session times are as follows.

Morning Session – 10.00am – 11.00am

Afternoon Session – 1.30pm – 2.30pm

This is a fantastic opportunity for our little ones to get creative and celebrate the holiday season with lots of fun craft activities. All supplies will be provided, so just bring your festive spirit!

We ask that one parent attends per child and no babies or younger siblings please. Staff will be available to support any children who do not have an adult attending.

We can't wait to craft and celebrate with you!

Best wishes

Mrs Fear
