

Birches First School

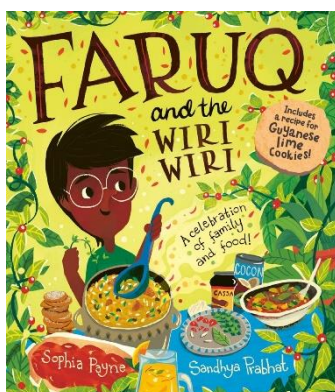

Believe, Grow, Succeed ...

...to be the best 'me' I can be.

17th June 2025

Dear Parents,

In English next week we will be looking at a new text called 'Faruq and the Wiri Wiri'. This short story has a lovely theme of celebrating different cultures and their traditional foods.

To engage the children during our first lesson on this text, we will be tasting and describing dishes from other cultures. This will give the children an opportunity to immerse themselves into different cultures and will provide a fantastic stimulus for writing!

On **Monday 23rd June**, could you please send your child with a small portion of a dish that is traditional to their culture. Ingredients will need to be clearly listed for allergen purposes.

When selecting traditional dishes, this would be a great opportunity to discuss your child's culture with them. The children will be welcome to share information about their dish and their culture during the English lesson.

We look forward to an enjoyable and insightful experience to begin our new text!

Yours sincerely,

Miss Cartwright

Year 3 Class Teacher
