Wednesday 15th October

Woseley Centre

Dear Parents,

Within our Science curriculum at Birches, we have been learning about how the seasons change, and what changes we normally see within each season. To consolidate and enhance their learning, we have arranged for Year 1 to go to the Woseley Centre and attend two workshops that focus on the changes within the seasons, and creating art using natural resources.

We have organised for this trip to take place on **Wednesday 5th November**

Please may children wear their GAMES kits, and bring a waterproof coat and wellies.

We also request that parents send in children with a packed lunch, with a **disposable water bottle**, which is kept in a **disposable bag**.

If you would like to request a packed lunch from the school, then please contact the office by **Wednesday 29th October**.

The cost of the visit, including admission, workshop entry and coach hire will be **£27.50 per child**.

Payment for the workshops is to be made through **ParentPay**. When you make the payment, you are giving permission for your child to attend the trip.

Should you need any assistance to pay by ParentPay please see the school office.

We look forward to an enjoyable day and sharing our exciting learning with you.

Thank you for your continued support.

Yours sincerely,

Mr Jones
