Dear Friends,

We are writing to thank you for your donations of food/toiletries to The Well between July-December 2025.

The total weight* of the items was: 30 **kg**

In 2025, your generosity enabled us to support **7349** adults & children with the very basic essentials in food, toiletries and household cleaning items.

This has now taken us over the figure of **132,000** individuals who have received direct support since the project started.

This figure could only be reached by the faithfulness of God, and the generosity of so many whom He has moved to show compassion. He hears the cry of the poor and needy and answers. This is why The Well exists.

Just today we were told a story of children living in poverty who were so excited when they were given a packet of biscuits to share. Whilst this is heartbreaking to hear, we hope it serves as an encouragement to you that your giving really does make a difference, if only for a moment...for one mealtime.

May you know Christ's peace and hope every day and His blessing on all you do.

In His Love

Gary & Caroline
