Friday 17th April 2026

Dear Parents and Carers,

We are pleased to inform you that **"The Animal Man"** will be visiting our **Nursery class on the morning of Wednesday 13th May.**

During the visit, the children will be learning about the **features of nocturnal animals**, which links perfectly with our topic this half term, **'All Creatures Great and Small'**. The session will be interactive and educational, offering the children the opportunity to find out more about a range of animals and their habitats.

As part of the experience, children will have the chance to **handle some of the animals**, including:

- mini beasts
- snakes
- lizards
- small mammals

All animals are very well cared for, and children will be closely supervised at all times. Handling animals will be optional, and no child will be encouraged to take part if they feel unsure.

The cost of the visit will be £7.60 with payment for the visit is to be made through ParentPay. When you make the payment, you are giving permission for your child to take part.

This visit promises to be an exciting and memorable learning opportunity for the children, helping to develop their curiosity, confidence, and understanding of the natural world.

If you have any concerns, allergies, or questions about the visit, please speak to a member of the Nursery team.

Thank you for your continued support.

Yours sincerely,

K Dudley

Nursery Teacher
