Dear June,

I am having a really super holiday in Greece! The huge hotel we are staying in has a pool with a flume! When I'm not in the pool, I like to race my brother to the beach and eat ice cream cones in the shade.

In the evening, we sit around the fire and play games. The food here is yummy. Yesterday, I had chocolate cake and apple pie for pudding!

Tomorrow, we are going on a blue boat to an island called Crete. I hope we will see some stone ruins.

I can't wait to see you when I get home.
