English

Hello Year One!

I hope you all had a wonderful weekend. Thank you for all of the lovely emails I have received. Take a look at our class page on the school website to see some of your amazing photographs!

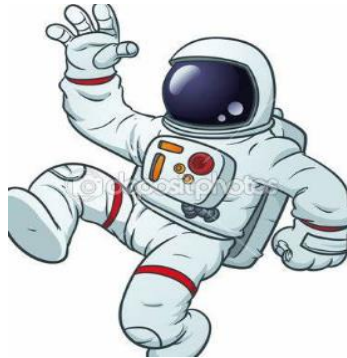

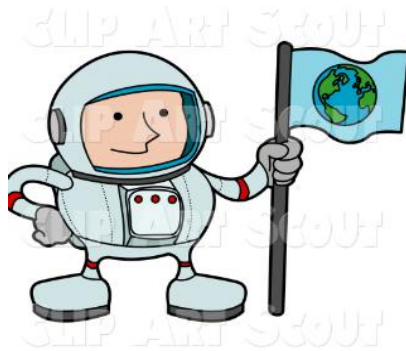

I miss you all very much. Stay safe!

These tasks are planned for the children to complete straight into their Home Learning Books. Printing is not required.

Choose two characters from the pictures below to go with the pictures you chose on Friday for your story setting.

Write adjectives to describe each character in your Home Learning Books.

Challenge

Put these adjectives into short sentences ready for your own story.

Reading

Choose a storybook at home and locate all the different adjectives. This may give you more ideas for your chosen characters and your story.

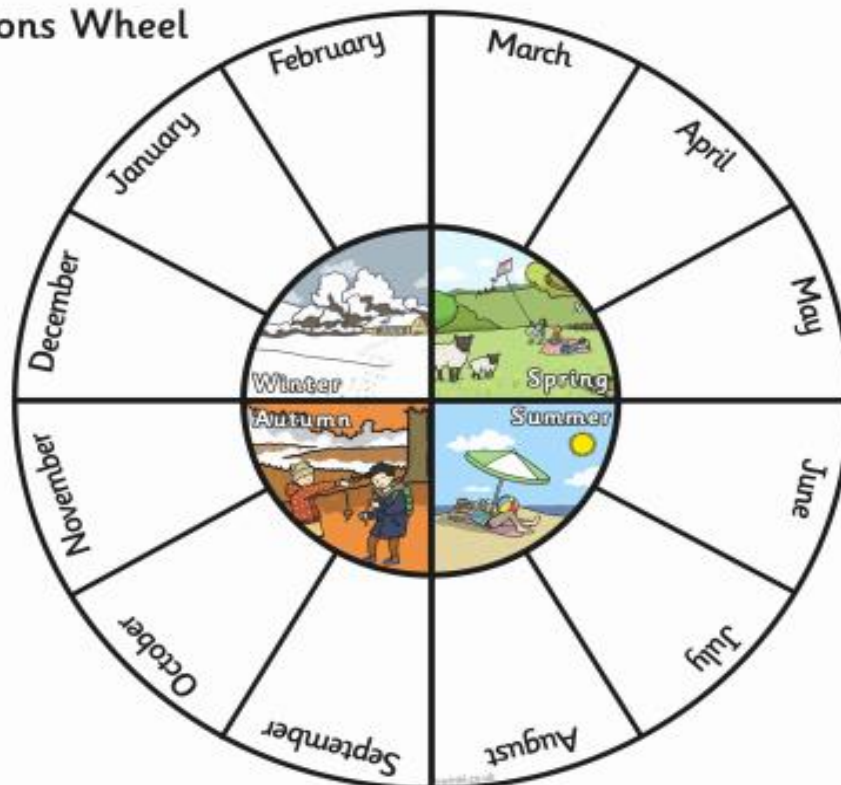

Maths

Log onto the following web address to watch a video all about the different seasons.

<https://www.twinkl.co.uk/resource/t-t-5234-seasons-video-powerpoint>

Draw pictures to show different signs of the different seasons. Your grown up may help you to draw a Season Wheel or you can just draw the pictures in your books and write labels.

Four Seasons Wheel

Play the 'What season am I' game.

Extra ideas:

Weather

Draw the weather to show different weathers. The template is just an example. You can record it in your own way.

What is the weather like today?

Draw the Weather

	<p>1. Today it is sunny.</p> 
<p>2. Today it is windy.</p> 	<p>3. Today it is partly cloudy.</p> 
<p>4. Today it is raining.</p> 	<p>5. Today it is snowing.</p> 

Have fun!
