

Dear Nursery,

A short newsletter to let you all know how wonderfully proud I am of you all, as you keep trying and persevering with the challenges.

Please look through all the challenges so far including the Birches Easter activity card. Please send photos for our Easter collage.

Your Lego models for the challenges have been superb. Please continue and show that you are 'have a go gorillas' and 'persevering parrots'. They are now becoming trickier challenges, but do not give up now. We have come this far!!

Good Friday- day 17

Saturday- day 18

Easter Sunday - day 19

It would be lovely if Nursery could attempt some of the challenges for days 9-15 too as we have limited models completed. Have lots of fun and let your imagination run wild!!!

More challenges are on the way so please stay connected with your emails and photos. They really do brighten up my day.

Wishing you all a safe Easter with your loved ones.

Mrs Mogy
