

Birches First School

Believe, Grow, Succeed

School Closure Home Learning Year 2 Daily Tasks

Wednesday 20th May 2020 (Summer Term, Week 5 - Day 3)

Home learning tasks are designed so they can be read from a screen and completed into Home Learning Books. This reduces/ removes the need for printing. In some cases, questions may need to be copied out into home learning books. Of course you may print the tasks if this is easier for your family but please do not feel that you have to.

Maths Task (Money):

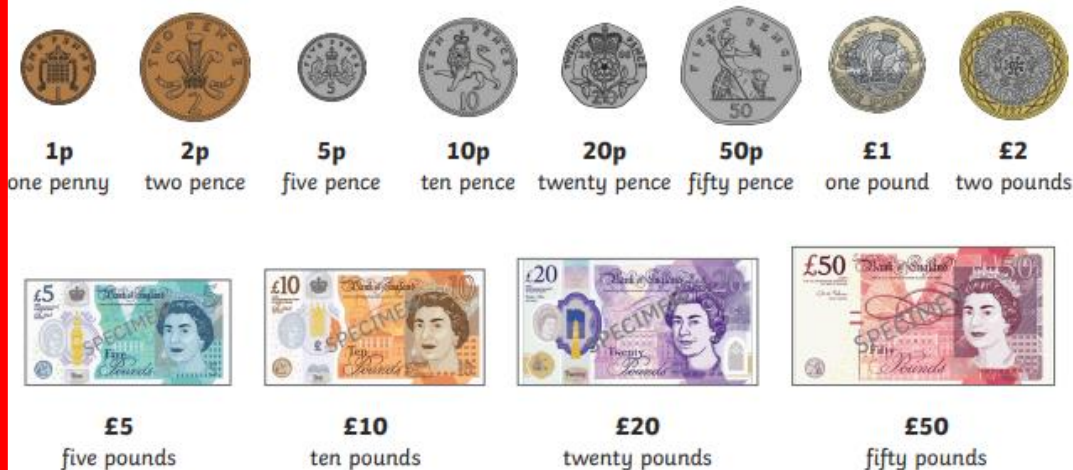

Make the same amount

Today we will look at selecting the correct coins to make the same amount. We can use different coins to make the same amount. We can exchange what we have so we can have less coins. For example we can exchange 2 one pound coins for a two pound coin. See below:

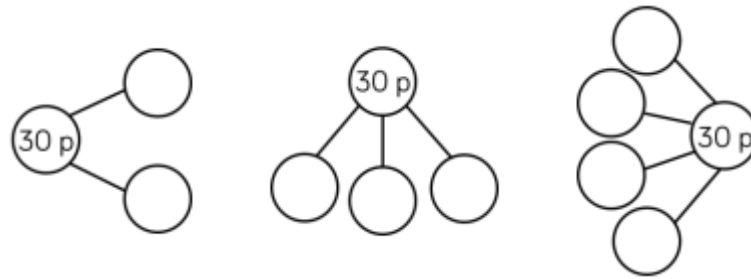

Again, we will use all of our previous learning of coins and notes to help us. We will need to count the pounds and pence separately. A reminder that the total will be written using 'and' – for example: £5 and 30 pence or 5 pounds and 30 pence. NOT £5.30. Please encourage children to use pence rather than 'p' at this stage. Where 'p' is used in a question, when reading aloud children should read 'pence'.

British Coins and Notes

Task:

1. Complete the part-whole models. Look at the parts to know how many coins to use.

2. Make each amount in 3 different ways.

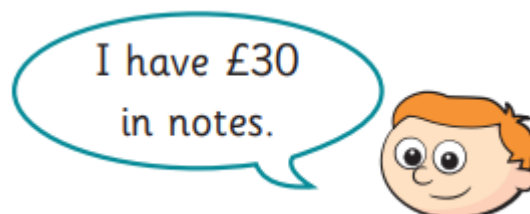

3. Make the same total with the fewest amount of coins possible.

4. Using your knowledge of making the same amount. Which purse is the odd one out?

5. How many ways can you make 10 pence using only copper coins?
6. What is the fewest number of notes Ron could have? What is the greatest number of notes Ron could have?

Challenge

How many different ways can you make the amount on the purse? You can only use pounds, not pence!

Part 2: If it was 25 pence and you were using pence, would there be more or fewer, or the same number of ways to make your total?

Reading Task (Author Focus):

Julia Donaldson is the author of *The Highway Rat*. She is also the author of many other children's books. Have you read any other books by Julia Donaldson?

Perhaps read or listen to another book by Julia Donaldson.

Task: Research about Julia Donaldson (optional links below). Write down questions you may like to ask her.

https://youtu.be/_OvAK7O2VnE (up to 2 minutes)

Writing/ SPAG Task:

On Monday, as part of your reading task you used the text to help you describe the Highway Rat. Today, I would like you to think of your own adjectives to describe the rat. Can you use expanded noun phrases (2A sentences)? Remember to use commas to separate the adjectives. We will use these tomorrow in a longer piece of writing.

You may like to add these onto your drawing from Monday. Please remember your cursive handwriting. The cursive handwriting mat can be found on the home learning page for guidance.
