

Birches First School
Believe, Grow, Succeed

School Closure Home Learning

Year 4 Daily Tasks

Date: 22/5/20

NB: Tasks are planned for children to complete straight into their home learning books. Printing is not usually required – in some cases, questions may need to be copied out into home learning books. If you have any queries regarding this please email me at kcain@birches.staffs.sch.uk

NO READING TASK TODAY – please take your time and concentrate on producing an extended piece of written work today.

Writing/SPaG task

Write a storm story

You are going to write your story about the storm and the characters who end up in the windmill.

Tips to write your story -

1. Look at your plan.
2. Write in the third person.
3. Use colourful semantics to organise your sentences.
4. Include expanded noun phrases with exciting adjectives.

5. Use your vocabulary and descriptive sentences from earlier in the week.

6. Check and edit your writing using this checklist –

<u>Feature</u>	<u>Tick if you used it</u>
Use capital letters, full stops, question marks and exclamation marks	
Write in cursive, legible handwriting	
Paragraphs	
Correct English e.g 'we were' not 'we was'	
Use different types of sentence – statements, questions, exclamations, commands	
Expanded noun phrases with adjectives and prepositional phrases	
Use conjunctions to join ideas – and, or, but, however, therefore, when, if, because, although, while	
Speech punctuated accurately “ ” – new speaker new line	
Use commas to separate clauses in complex sentences	
Use apostrophes for possession and contraction	
REREAD EVERY SENTENCE TO CHECK IT MAKES SENSE MAKING CHANGES TO IMPROVE IT.	

SPELLINGS – have you had a go at learning your spellings for the last 2 weeks? Ask your grown up to test you! Don't forget to check the website today for a new list.

Maths task

Geometry – properties of shapes – assessment

This is the end of unit assessment for 'properties of shapes'.

Think about what you have looked at over the last two weeks and see how you get on – good luck!

Year 4

Properties of Shapes

Write
Rose
Moths

Name _____

1 Order the angles from smallest to largest.

A

B

C

D

Smallest angle
Largest angle

2 marks

2 Draw another line on each diagram to make the type of angle written below it.

Right angle

Acute angle

Obtuse angle

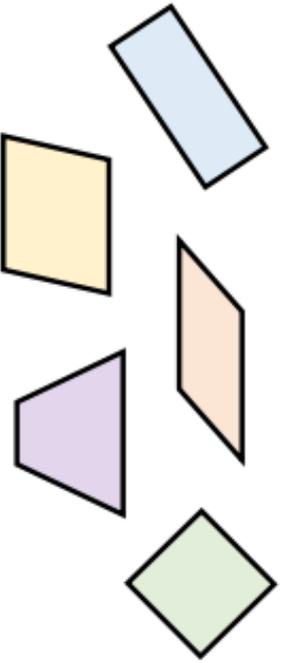

3 Decide if each statement is true or false.

	True	False
All the sides of an isosceles triangle are equal.		
A right-angled triangle has one angle that is 90°.		
A scalene triangle cannot have a right angle.		

3 marks

4 Circle the quadrilateral described by the sentences.

- The sides of the shape are not all equal in length.
- It has no right angles.
- It has two pairs of parallel lines

Write the name of the quadrilateral you have circled.

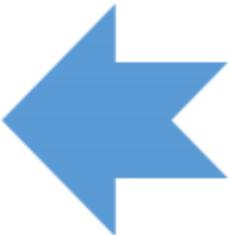

Write down the name of the quadrilateral with exactly two lines of symmetry.

1 mark

1 mark

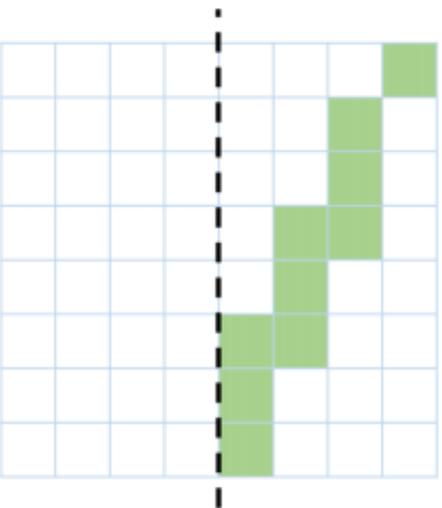

1 mark

5 Draw a line of symmetry on each shape.

2 marks

6 Complete the pattern according to the line of symmetry.

2 marks

Circle how confident you feel with properties of shapes.

1 2 3 4 5
 Not Very
 confident confident

Hi Year 4

We have come to the end of another half term. I hope that you are continuing to stay safe and well and that you are being good for your grown-ups. Thank you to those of you that have taken the time to send me an email. It has been wonderful to hear from you and to see all of the things that you have been up to. If it's possible, they have made me miss you even more!

Next week is the 'half term holiday'. I won't be posting any daily tasks from me during this time BUT... check the website on Monday 25th May. A little task has been set for you by your new school! Make sure you take a look!

Enjoy your week. Enjoy the time with your loved ones, be happy and make some memories. Remember to send me an email if you think I can help with anything – I'm still here for you.

I miss you all so much.

Mrs Cain x
